

## AGENT AGENCY

*Commitment to Working Better Together*

In addition to honoring the REALTOR® Code of Ethics, we as fellow REALTORS® working together in the real estate profession agree to honor the following principals:

- To follow the golden rule - Do unto others as you would want them to do unto you.
- To respond to all text, email and phone inquiries and requests in a timely manner.
- To show courtesy, trust and respect to other real estate professionals.
- To work collaboratively to achieve a positive outcome for everyone in the transaction.
- To work competently by understanding all the forms and completing them according to the instruction of the parties.
