RE: Water System– N8005 Wolfschmidt St Brillion

This proposal is for Labor & Materials to install 1/2 HP 10 GPM Pump, & CSS 35 Pressure Tank. This includes up to 20 feet of 1" water line. If additional digging is required it is \$10.00 a foot. All the pipe, fittings, labor and hoe time to install pump, and water lines complete is proposed for the sum of \$2,800.

If the pump setting needs to be deeper than 80 feet, or if you require more GPM, a larger horsepower pump and extra piping may be required. Therefore, additional charges may be necessary. Pump installations that are done after December 1 and up through April may have additional charges due to frost.

Option 1: Labor & Materials to install Constant Pressure system for an additional sum of \$1,200

Abitz Water Service is not responsible for any damage done to driveway, lawn, landscaping, and private utilities, etc. during operations related to pump installation at this location.

Please sign estimate and return. Thank You!
