Section 5.1 Assessments, and Lien and Personal Obligation Therefor: Each future owner by acceptance of a Deed conveying an interest in the condominium is deemed to covenant and agree to pay the Association monthly assessments, special assessments for capital improvements and building assessments, which shall be established and collected as hereinafter provided in this Declaration. The aforementioned assessments, together with interest thereon (at the legal rate) and the expenses and reasonable attorney's fees incurred in the collection thereof, shall be and constitute a continuing lien in favor of the Association upon the unit(s), and the undivided interest in the common elements and facilities appurtenant thereto, against which such assessment is made, which lien shall arise at the time a Certificate for Lien is filed in the office of the Clerk of Courts for Sheboygan County,

Wisconsin, or other appropriate place according to law, by authority of and at the direction of the Board of Directors of the Association. Such Certificate for Lien shall contain such information as is necessary to properly identify the unit against which the lien exists, the record owners thereof and the amount of the lien claim, and shall be signed by an officer of the Association. A lien for assessments, as provided for herein, may be foreclosed as provided in Chapter 703 of the Wisconsin Statutes. In addition to the foregoing, such assessments, together with interest thereon (at the legal rate) and the expenses and reasonable attorney's fees incurred in the collection thereof, shall be a personal obligation of the owner(s) of the unit against which assessed at the time such assessment (or any installment thereof) is due, and such personal obligation shall pass to the successors in title (except for mortgages, their successors and assigns, and other purchasers who obtain title to the unit as a result of a first mortgage foreclosure) to such unit, and each owner of any unit, by acceptance of any right, title or interest therein, is deemed to assume the obligation to make such payment.

Section 5.2 Purpose of Assessments: The assessment levied by the Association shall be used to enhance the property value, to promote the recreation, health, safety and welfare of the unit residents, and for the maintenance and improvement of the condominium property. Subject to the provisions following, assessments shall be used to pay the common expenses of the Association for such items, but not by way of limitation, as: general maintenance services of the common elements (and facilities appurtenant thereto) and Association property; liability, fire and extended coverage insurance premiums for the common elements; utility charges for any part of the condominium property not individually metered to units; lawn care, landscaping, trash services, snow removal, repair, maintenance and operation of the common elements, facilities and Association property. Subject to the provisions of Section 5.3 following, special assessments for capital improvements shall be

used to defray, in whole or in part, the common expenses for the costs of reconstruction, repair or replacement of capital improvements on the common elements or Association property, and the construction or purchase of new capital improvements, but may be levied only upon the affirmative vote of one hundred (100%) percent of the unit owners at a meeting duly called for that purpose in accordance with the provisions of the By-Laws of the Association.

Section 5.3 Common Expenses (and Surplus): Payment of the Annual Assessment:

The common expenses under Section 5.2 above shall be charged to (and the common surplus shall be distributed among) the unit owners equally.

Section 5.4 Date Annual Assessments Commence: The annual assessment provided for above shall commence the date this Declaration is recorded and shall be due and payable to the Association each year thereafter on the same date. This payment date may be adjusted in the future by the Association. Should the annual assessments be determined insufficient to pay the common expenses for each levied, the Board of Directors of the Association may increase the amount thereof, and thereupon shall give written notice of such action to the unit owners.

Section 5.5 Disposition of Excess Assessments: In the event the Board of Directors determines that excess assessments have been made or assessed to the unit owners, the Board of Directors may repay those excessive assessments or credit all or a portion of excessive assessments to the next annual assessment. Excessive assessments would be those assessments collected or due for which there are no existing or projected common expenses within a one-year period, necessitating the payment of such funds or for which no specific contingency exists. The Board of Directors may make such repayments in their discretion, with due regard for past payment pattern and future needs.

Section 5.6 Certification of Status of Assessments: The Association shall furnish, upon request of a unit owner or such other persons who have a bona fide interest in the status of such assessments, a Certificate signed by an officer (other than an owner of the unit for which requested) of the Association setting forth as a specified date the amount of unpaid or excess assessments on a specified unit.

Section 5.7 Remedies of Association for Non-payment of Assessments: In addition to the right of the Association to foreclose a lien for non-payment of assessments due and owing, an action at law against the owner(s) personally obligated to pay same may be brought by the Association. No owner may waive or otherwise escape liability for the payment of assessments by non-use of any of the common elements or by abandonment of his, her and/or its units.

Section 5.8 Priority of Lien: A lien for assessments shall be prior to all other liens except only (a) liens of general and special taxes, (b) all sums unpaid on a first mortgage recorded prior to the making of such assessments, and (c) mechanics' (construction) liens prior to the making of such assessments, as provided in Section 703.16 of the Wisconsin Statutes.

Section 5.9 Notwithstanding Sections 5.1 through 5.8 above, Section 703.365(6) shall apply to this condominium which sections read as follows:

"Expenses, maintenance operation: (a) Paragraphs (b) and (c) apply to a small residential condominium if any of the following criteria is met:

1. A proposed expenditure or action for the repair, maintenance or upkeep of the property, or for the operation of the property, is not approved by the board of directors and any unit owner believes the expenditure or action is necessary for the safety and proper use of the property or of the owner's unit.

2. An expenditure or action is approved by the Board of Directors and any unit owner believes the expenditure or action is contrary to the safety and proper use of the property or the owner's unit.

(b) The unit owner or owners challenging a decision of the Board of Directors described under par. (a) 1 or 2 shall give written notice of the objection to all unit owners and mortgagees within 45 days after the decision but before any action is taken or expenditure is made. Upon receipt of this notice, the Board of Directors shall reconsider its decision and either affirm, reverse or modify the decision.

(c) The unit owner or owners may challenge the decision after reconsideration by the Board of Directors under par. (b) only in an arbitration proceeding under ch. 788. Acceptance of a conveyance of a small residential condominium which is subject to pars. (b) to (e) is deemed to constitute an agreement by the unit owner to submit challenges of the Board to Directors to arbitration.

(d) The Board of Directors, upon submission of the matter to arbitration as provided in par. (c) shall name a arbitration as provided in par. (c), shall name a proposed arbitrator. The unit owner or owners may accept the proposed arbitrator or propose a different arbitrator. If there is no agreement on a single arbitrator, the two (2) arbitrators shall select a 3rd person and the three (3) shall serve as an arbitration panel chaired by the 3rd person. The expense of the arbitration shall be shared equally by the Association and the unit owner or owners challenging the decision of the Board of Directors.

(e) The arbitration award by the arbitration panel under par. (d) shall permit or prohibit the decision and the decision shall not be implemented, if it is an affirmative action, until the award is final unless there is a bona fide emergency requiring it."

ARTICLE VI.

DAMAGE AND DESTRUCTION OF PROPERTY - INSURABLE RISKS

Section 6.1 Repair and Reconstruction After Damage: In the event of any damage to or destruction of the property of the condominium as a result of fire or other casualty and the damage is less than a total loss to said common elements, repairs shall promptly be undertaken by the Association to reconstruct the property to a condition compatible with the remainder of the condominium. Any cost of repair or reconstruction in excess of the available insurance proceeds shall be a common expense.

Section 6.2 Total Loss or Loss in Excess of Insurance Proceeds: In the event the common elements of the condominium are damaged to an extent more than the available insurance proceeds or the condominium property is damaged to the extent that it is a total loss for insurance purposes, the condominium shall be subject to an action for partition upon obtaining the written consent of the unit owners having one hundred (100%) percent of the votes. In the case of partition, the net proceeds of sale together with the net proceeds of insurance shall be considered as one fund and shall be divided among all unit owners in proportion to their percentage interest in the common elements and shall be distributed in accordance with the priority of interests in each unit.

ARTICLE VII.

ARCHITECTURAL CONTROL

No building, fence, wall or other structure (except those contemplated in this original Declaration, the original plans and the original plat) shall be commenced, erected or maintained upon the condominium property, nor shall any addition, change or alteration be made to or on the building exteriors until the plans and specifications showing the nature, kind, shape, height, materials, color and location thereof shall have been submitted to and approved by the Board of Directors of the Association. In the event the Board of Directors

fails to approve such plans and specifications within thirty (30) days of their submission, such plans and specifications shall be deemed to have been disapproved. It is contemplated by this article that the exterior appearance of the building including both units shall be compatible one with the other and that the unit owners shall mutually agree on the matters affecting the exterior appearance of the building.

A fence not more than 4 feet high can be installed by the unit owners if they mutually agree, dividing the common elements from the rear of the building to the northern lot line. All provisions of this paragraph shall apply to such decks and/or fences as they may exist on the condominium property.

ARTICLE VIII.

Section 8.1: All maintenance and repairs to the units and common elements, including limited common elements, shall be made by the individual unit owner unless otherwise provided herein, but such maintenance and repair shall not include structural repair to the building itself. These items of maintenance shall include, but are not limited to, the maintenance of the grounds and the maintenance of the outside of the building with the west side of the unit dividing line being assigned to Unit 1 and with the east side of the unit dividing line assigned to Unit 2. Each unit owner shall be responsible for all damages to any other unit or to the common or limited common elements and facilities resulting from misconduct, negligence or misuse on the part of said unit owner.

Section 8.2: All maintenance, repairs and replacements provided in Article V set forth above in the common and limited common elements not completed by the unit owner, whether located outside or inside of the building or units (unless necessitated by the negligence, misuse or neglect of the unit owner, in which case said expense shall be charged to said unit owner) shall be made by the Board of Directors and shall be charged to all unit

owners as a common expense as set forth in Article V above unless assigned to an individual unit owner in Section 8.1 above in which case said expense shall be charged to said unit owner.

ARTICLE IX.

USE RESTRICTIONS

Section 9.1 Residential Use: Each unit is intended for and its use shall be restricted to a single family residence only. Special rules relating to occupancy are set forth in detail in the By-Laws of the Association and may be further set forth in any rules established by the Association as are permitted by said By-Laws.

Section 9.2: No nuisance shall be allowed on the property nor shall any use or practice be allowed which is a source of annoyance to its residents or interferes with the peaceful possession or proper use of the property by its residents.

Section 9.3: No signs of any kind shall be displayed to public view on the condominium property except those approved and authorized in advance by the Board of Directors of the Association.

Section 9.4 Additional Rules and Regulations: In addition to the foregoing, the Association may from time to time adopt reasonable rules and regulations pursuant to the By-Laws of the Association which regulations impose additional use restrictions on the condominium property, including but not limited to restrictions relating to the keeping of pets upon the condominium property and the placement of furniture or other items within the limited common or common elements.

ARTICLE X.

INSURANCE

Section 10.1 Property Insurance: The Board of Directors shall be required to obtain and maintain fire insurance with extended coverage, vandalism and malicious mischief

endorsements, or other appropriate insurance coverage, insuring all condominium property, but not including furniture, furnishings or personal property owned by or located in units. Such insurance shall cover the property and shall name as insureds the Association, the Board of Directors, the unit owners and their mortgagees as their interest may appear and such insurance shall be in an amount equal to the full replacement value of the building without deduction for depreciation.

Section 10.2: Each policy shall provide that proceeds shall be payable to the Board of Directors or an insurance trustee as may be provided for in the By-Laws of the Association in trust for all unit owners and their mortgagees as their interest may appear.

Section 10.3 Policy Requirements: All policies of physical damage insurance shall contain waivers of subrogation and waivers of any defense based on co-insurance or of invalidity arising from any acts of the insured, and shall provide that such policies may not be cancelled or substantially modified without at least 30 days prior written notice to all of the insureds, including all mortgagees of units. Duplicate originals of all policies of physical damage insurance and of all renewals thereof, together with proof of payment of premiums, shall be delivered to all mortgagees of units at least 10 days prior to expiration of the then current policies. Each unit owner is responsible for obtaining such liability insurance as is necessary to insure his interest and liability for damages arising from the use and occupancy of his premises as may be made by third parties and is further responsible for obtaining such property insurance as may be necessary to insure his interest in personal or other property within the project.
