**CONDOMINIUM DECLARATIONS OF
CONDITIONS, COVENANTS,
RESTRICTIONS AND EASEMENTS FOR
MILEY'S MEADOW CONDOMINIUMS**

This Declaration is made pursuant to the Condominium Ownership Act of the State of Wisconsin, Chapter 703 of Wisconsin Statutes, (hereinafter referred to as the "Act") this 28th day of November, 2006, by Bellcraft Development, LLC, a Wisconsin limited liability company (hereinafter referred to as "Declarant").

I. STATEMENT OF DECLARATION

The purpose of this Declaration is to submit the lands hereinafter described and the improvements constructed or to be constructed thereon to the condominium form of ownership in the manner provided by the Act and by this Declaration.

Declarant hereby declares that it is the sole owner of the real property described in Section 2.1 hereof, together with all buildings and improvements thereon (hereinafter referred to as the "Property") which is hereby submitted to the condominium form of use and ownership as provided in the Act and this Declaration, and which property shall be held, conveyed, devised, leased, encumbered, used, improved, and in all respects otherwise effected subject to the provisions, conditions, covenants, restrictions and easements of this Declaration and the Act. All provisions hereof shall be deemed to run with the land and shall constitute benefits and burdens to the Declarant, its successors, and assigns, and to all parties hereinafter having any interest in the property. The property, together with all buildings and improvements is hereinafter called the "Condominium".

+ 3 -
1.

Declarant reserves the right to expand the Condominium by subjecting additional property to the Condominium Declaration. As each additional parcel is subjected to the Declaration, the percentage of ownership in the Common Elements shall be re-allocated by the Declarant. The Declarant shall establish a base selling price for each Unit offered for sale in the Condominium. Comparable Units in all phases will have the same base selling price. All Units' undivided interests in the Common Elements shall be recalculated at each expansion, and each Unit's undivided interest in the Common Elements shall be equal to the proportion of that Unit's base selling price to the total base selling price for all Units subject to the Declaration. This calculation is intended to reflect the price differential among the Units so that the Units with a greater base selling price shall have a fractionally greater percentage ownership in the Common Elements. Variation between the base selling price and the actual sales price, or sales subsequent to the sale by Declarant shall not result in recalculation of the percentage of ownership in the Common Elements. The right to expand the Condominium is reserved by the Declarant for a period not exceeding ten (10) years from the date of recording of this Declaration. If the Declarant adds additional property to the Condominium, the Declarant shall record an amendment to this Declaration showing the new percentage of ownership in the Common Elements and the votes which each Unit Owner may cast in the Condominium as expanded. Upon recording of an amendment to this Declaration each Unit Owner has the percentage of ownership in the Common Elements, liabilities in the common expenses, rights to common surpluses, and shall have the number of votes, set forth in the amendment to this Declaration. Following any expansion, the interest of any mortgagee shall attach to the new percentage of ownership in the Common Elements appurtenant to the Unit on which it is a lien.

10. REPAIRS AND MAINTENANCE

10.1 COMMON ELEMENTS. The Association shall be responsible for the management and control of the Common Elements and Limited Common Elements and shall cause the same to be kept in good, clean, attractive and sanitary conditions, order and repair. Without in any way limiting the foregoing, this shall include all painting, repairing and decorating of exteriors, maintenance and repair of walks, drives, parking areas and access routes, and maintenance of all grounds and landscaping. In addition, the Association shall regulate the use of the Common Elements and Limited Common Elements to ensure proper and attractive conditions. Unit Owners, and their occupants, shall promptly report to the Association, any condition that might damage the Common Elements or Limited Common Elements.

10.2 INDIVIDUAL UNITS AND LIMITED COMMON ELEMENTS. Each Unit Owner shall be responsible for keeping the interior of his Unit and all of its equipment, fixtures and appurtenances in good order, condition and repair and in a clean and sanitary condition, and shall be responsible for decorating, painting and varnishing which may at any time be necessary to maintain the good appearance and condition of the Unit. Without in any way limiting the foregoing, in addition to decorating and keeping the interior of the Unit in good repair, each Unit Owner shall be responsible for all plumbing fixtures and piping connected to the Unit, fireplace, chimney, and flue, the replacement of windows, doors, lighting fixtures, refrigerators, air-conditioning equipment, all components of any furnaces or heating equipment, dishwashers, disposal, laundry equipment such as washers and dryers, ranges, or other equipment which may be in, or connect with, the Unit. Each Unit Owner shall keep the Limited Common Elements appurtenant to his Unit in a good, clean, sanitary, and attractive condition.

10.3 PROHIBITION AGAINST STRUCTURAL CHANGES BY OWNER. A Unit Owner shall not, without first obtaining the written consent of the Association, make any alteration that would jeopardize the soundness or safety of the Condominium, reduce the value of the Condominium, or impair any

easement or hereditament, or change the exterior appearance of a Unit or any other portion of the Condominium not part of the Unit. A Unit Owner may make improvements or alterations within the Unit that do not impair the structural integrity, or lessen the support of any portion of the Condominium, and that do not create a nuisance substantially affecting the use and enjoyment of other Units or the Common Elements.

10.4 ENTRY FOR REPAIRS. The Association shall have an irrevocable right and easement to enter any Unit at reasonable times and under reasonable conditions when necessary to make repairs when the repairs reasonably appear necessary for public safety or to prevent damage to other portions of the Condominium. The Association shall make a reasonable effort to give prior notice to the owners, except in cases involving manifest danger to public safety or property, and with as little inconvenience to the Unit Owners as practical, and any damage caused thereby shall be repaired by the Association and be treated as a common expense. No entry by the Association for the purposes specified in this paragraph may be considered a trespass.

10.5 IMPROVEMENTS TO LIMITED COMMON ELEMENTS. A Unit Owner may improve the Limited Common Elements appurtenant exclusively to the Unit Owner's Unit if all the following conditions are met:

1. A statement describing the improvement, including a description of the project, the materials to be used, and the project's proposed impact on the appearance of the Condominium, and identifying the project contractor is submitted to the Board of Directors of the Association.
2. The improvements will not interfere with the use and enjoyment of the Units of other Units Owners, or the Common Elements, or Limited Common Elements of the Condominium.
3. The improvement will not impair the structural integrity of the Condominium.
4. Any change to the exterior appearance of the Condominium is approved by the Board of Directors of the Association
5. All costs and expenses of an improvement, and any increased costs of maintenance and repair of the Limited Common Elements

resulting from the improvement, are the obligation of the Unit Owner. The Unit Owner shall protect the Association and other Unit Owners from liens on property of the Association, or of other Unit Owners that otherwise might result from the improvement.

11. UNIT OWNER'S RIGHTS WITH RESPECT TO INTERIORS

Each Unit Owner shall have the exclusive right to paint, repaint, tile, panel, paper or otherwise furnish and decorate the interior surfaces of the walls, ceilings, floors and doors forming the boundaries of the Unit and all walls, ceilings, floors, and doors within such boundaries, and to erect partition walls of a non-structural nature, provided that such Unit Owner shall take no action which in any way will materially change any common walls.

12. RESTRICTION ON USE AND OCCUPANCY

Each Unit shall be occupied and used only for single family private dwelling purposes as provided in the Bylaws of the Association. No trade shall be carried on anywhere within the Condominium, except as otherwise provided herein. All leases or rental agreements shall be in writing. The Declarant may lease a Unit on such terms and conditions as it desires in its sole discretion; however, no Unit may be leased or rented by Declarant for a period of less than thirty (30) days.

Unit Owners other than Declarant may lease or rent a Unit; however, the lease must have a minimum initial term of six (6) months. No rooms in any Unit may be rented and no transient tenants may be accommodated. As a condition of the rental or lease of a Unit, the Unit Owner grants the Association power of attorney to bring an eviction action against a tenant of the Unit Owner who has failed to comply with the Declaration, the Bylaws, rules of the Association, or any act or omission that constitutes grounds for eviction under Chapter 704 of the Wisconsin Statutes, if the Unit Owner, after being requested by the Association to evict the tenant, fails to take reasonable action to evict the tenant. Giving notice terminating, or not renewing a tenant's lease or rental agreement within sixty (60) days after an eviction request by the Association, constitutes reasonable action to evict the tenant for purposes of this paragraph. The Association shall give the Unit Owner ten (10) days' written notice of the Association's intent to evict a tenant. The cost of the eviction shall be the responsibility of the Unit Owner and shall immediately become a personal debt of the Unit Owner and also a lien, against the Unit to which the charges are assessed, until paid, if a statement of lien is filed within two (2) years after the date the assessment becomes due.

A tenant of a Unit who fails to comply with this Declaration, the Bylaws, rules of the Association, or the Act that results in a charge, fine, or assessment imposed by the Association pursuant to the Bylaws or Association rules is liable for the charge, fine, or assessment. The Unit Owner of the Unit occupied by the tenant when the violation occurred is liable for any charges, fines, or assessments imposed by the Association for which the tenant is liable that are not paid by the tenant within thirty (30) days after receiving notice of the charge, fine, or assessment. If the Association imposes a charge, fine, or assessment as a result of a violation by the tenant of a Unit, the Association shall give notice to the tenant by any method under Wisconsin Statute Section 704.21(1)(a) – (e) and to the Unit Owner of the Unit occupied by the tenant by any method under Wisconsin Statute Section 704.21(2)(a) – (d). The notice shall include all of the following:

- A. The amount of charges, fines, or assessments for which the tenant is liable.
- B. Notice that if the tenant fails to pay the Association the amount for which the tenant is liable within thirty (30) days after the tenant receives the notice, the Unit Owner is liable to the Association for the unpaid amount by the tenant.

The rental or lease of a Unit constitutes an agreement by the tenant, as a condition of the Lease, to comply with this Declaration, the Bylaws, the rules of the Association, and the provisions of the Act. Within five (5) business days after entering into or renewing a written Lease Agreement, the Unit Owner shall provide a copy of the Lease Agreement to the Association. The Association shall keep a copy of the Lease Agreement on file while the Lease Agreement is in effect. Prior to the occupancy of a Unit, the Unit Owner shall provide a copy of this Declaration, the Bylaws, and the rules of the Association, to the tenant, or place the information in the Unit.

13. DESTRUCTION AND RECONSTRUCTION

In the event of a partial or total destruction affecting one or more of the Units of the Condominium, the Association shall promptly undertake to repair or reconstruct it to a condition compatible with the remainder of the Condominium. On reconstruction the design, plan and specifications, of any building or Unit, may vary from that of the original upon the approval of the Association, provided, however, that the number of square feet of any Unit may not vary more than five percent (5%) from the number of square feet for such Unit as originally constructed, and the location of the buildings shall be substantially the same as prior to damage or destruction.

If a Condominium is damaged to an extent more than the available insurance proceeds, the Condominium shall be subject to an action for partition upon obtaining the written consent of the Unit Owners having seventy-five percent (75%) or more of the votes. A determination as to whether or not to reconstruct and repair the damaged premises or to subject the Condominium to an action for partition shall be made within ninety (90) days from the date of the fire, casualty or disaster. In the case of partition, the net proceeds of sale together with any net proceeds of insurance shall be considered as one fund and shall be divided among all Unit Owners in proportion to their percentage interest in the Common Elements, and shall be distributed in accordance with the priority of interest in each Unit.

If the insurance proceeds are insufficient to reconstruct or repair the damaged premises and the necessary seventy-five percent (75%) or more of the votes necessary to subject the Condominium to an action for partition are not obtained, then the damaged premises shall be reconstructed and repaired by the Association with the insurance proceeds, and the Unit Owners shall be assessed for the deficiency in accordance with the percentage of ownership in the Common Elements.

14. INSURANCE

The Board of Directors of the Association shall obtain and maintain insurance for the Condominium against loss or damage by fire and such hazards for not less than full replacement value of the property insured. The insurance shall also cover the replacement of interior walls, heating and air conditioning units, electrical wires and conduit, plumbing pipes, and heating and air conditioning duct work in the interior and exterior walls. The Association shall also provide insurance coverage for fixtures, improvements, and alterations that are a part of the building or structure located within the Units to the extent provided for in the original building specifications, if said coverage is available to the Association by the terms of the blanket casualty insurance policy. The insurance shall be obtained in the name of the Association as trustee for each of the Unit Owners and their respective mortgagees as their interest may appear. Premiums shall be a common expense. The Association is hereby designated and each Unit Owner hereby appoints the Association to represent the Unit Owners in any related proceedings, negotiations, settlement, or agreements, regarding the insurance coverage. Each Unit Owner hereby appoints the Association as an attorney-in-fact for the purpose of representation in any related proceedings, negotiations, settlements, or agreements, regarding insurance. To the extent possible, the insurance shall provide that the insurer waives its right of subrogation as to any claim against Unit Owners, the Association, and their respective servants, agents and guests, and that the insurance cannot be cancelled, invalidated nor suspended on account of conduct of any one or more Unit Owners or the Association or their servants, agents and guests, without thirty (30) days prior written notice to the Association giving it opportunity to cure the defect within

that time. The amount of protection and the types of hazards to be covered shall be reviewed by the Board of Directors at least annually and the amount of coverage may be increased or decreased at any time it is deemed necessary as determined by the Board of Directors to conform to the requirements of full insurable value.

to
next

The Unit Owner shall be responsible for and shall obtain insurance coverage for personal property and the replacement of appliances including refrigerators, dishwashers, disposal, laundry equipment such as washers and dryers, and ranges.

In the event of partial or total destruction of a building or buildings and it is determined to repair or reconstruct such building or buildings in accordance with Section 13 hereof, the proceeds of such insurance shall be paid to the Association to be applied to the cost thereof and the Unit Owners and mortgagees shall not be entitled to receive payment of any portion of insurance proceeds. If it is determined not to reconstruct or repair the Condominium, or the Court has ordered partition of the Condominium, then the proceeds shall be distributed to the Unit Owners and their mortgagees, if any, as their respective interest may appear in the manner provided by the Act. If after the Common Elements have been completely repaired or restored, and there is a surplus of insurance proceeds, then the surplus shall be considered a common surplus and may, at the direction of the Board of Directors, be distributed to the Unit Owners in accordance with their percentage of ownership in the Common Elements.

If insurance coverage is available to combine protection for the Association and the Unit Owner's individual Unit, the Board of Directors is hereby given discretionary power to negotiate such combination of insurance protection on an equitable cost-sharing basis under which the Unit Owner would be assessed individually for the amount of insurance which he directs the Board of Directors to include such policies for his additional protection. Copies of all such policies shall be provided to each mortgagee. Nothing contained in this paragraph shall be deemed to prohibit any Unit Owner, at his expense, to provide any additional insurance coverage on his improvements which will duplicate any insurance provided by the Association of Unit Owners. The Board of Directors shall also provide and maintain public liability insurance covering the Common Elements in such amounts as may be determined at the discretion of the Board of Directors from time to time but, in any event such coverage shall be for at least \$1,000,000.00 for bodily injury and personal injury including deaths of persons and property damage arising out of a single occurrence. The Board of Directors may also provide workmen's compensation insurance and fidelity bonds on such officers and employees and in such amounts as is determined by the Board of Directors to be necessary from time to time.

15. LIABILITY FOR COMMON EXPENSES

*Deleted
via
amendment*

The costs of administration of the Association, insurance, repair, maintenance and other expenses of the Common Elements and Limited Common Elements, and the common services provided to the Unit Owners shall be paid for by the Association. The Association shall make assessments against the Unit Owners, as well as the Units themselves, for such common expenses and for the creation of reserves for the payment of future common expenses with each Unit subject to said assessment paying an equal share of the assessment. Assessments shall be due in advance on the first day of each month, or in such other manner as the Association may set forth in the By-Laws. With each phase of development, the share shall change accordingly. It being the intent of the Declarant that the share shall initially be, after construction of the initial phase, one/sixteenth ($1/16^{\text{th}}$) per Unit, and upon the conclusion of the total envisioned project, the share shall be one/fifty-sixth ($1/56^{\text{th}}$) per Unit. Any Unit Owner or mortgagee gaining an interest in any Unit, prior to completion of all intended phases, consents to the automatic alteration of this fraction, from time to time, using the aforementioned formula.

A Unit Owner, shall be liable for all assessments, or installments thereof, coming due while owning a Unit, including any assessments coming due during the pendency of any claim by the Unit Owner against the Association, or during any period in which the Unit is not occupied by the Unit Owner, or is leased or rented to any other person. In a voluntary grant, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor for his or her share of the common expenses up to the time of the voluntary grant for which a statement of condominium lien is recorded, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee for such assessments.

No Unit Owner may exempt himself or his Unit from liability for his contribution toward the common expenses by waiver of the use or enjoyment of the Common Elements or Limited Common Elements or services or by the abandonment of his Unit.

During the period of Declarant control of the Association under Section 703.15(2)(c) of the Wisconsin Statutes, no assessments shall be assessed against any Unit owned by the Declarant. During the period of Declarant control, the assessments payable by any Unit Owner other than Declarant shall not exceed the amount that Unit Owner would be charged if Declarant's Units were subject to full assessments, based on the annual Operating Budget then in effect. During the period of Declarant control, Declarant shall pay the deficit if the total assessments payable by Unit Owners, other than Declarant, do not cover the total Common Expenses. The Declarant, as a Unit Owner, shall not be liable for any annual or special assessments as assessed by the Association. The Declarant shall be liable for assessments on a Unit commencing with the occupancy of said Unit.

All common expenses and assessments, when due, shall immediately become a personal debt of the Unit Owner and also a lien, against the Unit to which the charges are assessed, until paid, if a statement of lien is filed within two years after the date the assessment becomes due. The lien is effective against a Unit at the time the assessment became due regardless of when within the two year period it is filed. The Association must serve the Declarant with a notice of dues within thirty (30) days of assessment.

A lien for delinquent common expenses that the Association assesses against a Unit will be subordinate to a first mortgage on the Unit, if the mortgage was recorded before the delinquent assessment was due. In addition, a lien for common expenses will not be affected by the sale or transfer of a Unit unless a foreclosure of a first mortgage is involved, in which case the foreclosure will extinguish the lien for any assessments that were payable before the foreclosure sale, but will not release any subsequent Unit Owner from paying any further assessments.

The Association is granted the power to collect levied assessments from the Unit Owners in accordance with legal remedies available if the assessments are not paid when they are due. The assessments, including interest at Twelve percent (12%) annum, costs and reasonable attorneys fees, shall become a lien against the Unit.

All sums assessed by an association, but unpaid for, regarding the share of the common expenses chargeable to any Unit constitutes a lien on the Unit and on the undivided interest in the Common Elements and Limited Common Elements appurtenant thereto prior to all other liens except:

- A. Liens of general and specific taxes;
- B. All sums unpaid on a first mortgage recorded prior to the making of the assessment;
- C. Mechanics liens filed prior to the making of the assessment;
- D. All sums unpaid on any mortgage loan made under Section 45.80 (1989 Stats.) of the Wisconsin Statutes;
- E. A lien under Section 292.31(8)(i) or 292.81 of the Wisconsin Statutes.

The common surpluses resulting from the operation of the Condominium shall be credited to the Unit Owner's assessments for common expenses, or shall be used for any other purpose as the Association decides, or shall be refunded to the Unit Owners with each Unit receiving a share of said surplus in proportion to the dues paid by the Unit Owner during the preceding twelve (12) month period.

A grantee of a Unit is entitled to a statement from the Association, or the Board of Directors, setting forth the amount of unpaid assessments against the grantor of a Unit. The grantee of a Unit is not liable for, nor shall the Unit conveyed be subject to a lien that is not filed for, any unpaid assessment against the grantor in excess of the amount set forth in the statement. If the Association, or the Board of Directors, does not provide such a statement within ten (10) business days after the grantee's request, the Association is barred from claiming under any lien that is not filed prior to the request for the statement against the grantee.

16. PARTITION OF COMMON ELEMENTS PROHIBITED

There shall be no partition of the Common Elements and Limited Common Elements through judicial proceedings or otherwise until this agreement is terminated and the property is withdrawn from its terms or from the terms of the applicable statutes regarding unit ownership or condominium ownership; provided, however, that if any Unit shall be owned by two or more co-owners as tenants in common or as joint tenants, nothing contained herein shall be deemed to prohibit a voluntary or judicial partition of said single Units as between such co-owners. Ownership shall be limited to 4 or fewer co-owners as tenants in common or as joint tenants.

17. CONVEYANCE TO INCLUDE INTEREST IN COMMON ELEMENTS AND LIMITED COMMON ELEMENTS

The percentage of the undivided interest in the Common Elements and Limited Common Elements shall not be separated from the Unit to which it appertains. No Unit Owner shall execute any deed, mortgage, lease or other instrument affecting title to such Unit without including therein both his interest in the Unit and his corresponding percentage of ownership in the Common Elements and Limited Common Elements, it being the intention hereof to prevent any severance of such combined ownership. Any such deed, mortgage, lease or other instrument purporting to affect the one without including also the other shall be deemed and taken to include the interest so omitted even though the latter is not expressly mentioned or described therein.

18. EASEMENTS, RESERVATIONS AND ENCROACHMENTS

18.1 UTILITIES. Easements are hereby declared and granted for the benefit of the Unit Owners and the Association and reserved for the benefit of the Declarant for utility purposes, including the right to install, lay, maintain, repair and replace water mains and pipes, heating ducts and piping, sewer lines, gas mains, telephone wires and equipment, master television antenna system wires

and equipment, cable television equipment, and electrical conduits and wires and equipment, including power transformers, over, under, along and on any part of the Common Elements and Limited Common Elements.

18.2 PERMITS, LICENSES AND EASEMENTS. The Association and the Declarant shall have the right to grant permits, licenses and easements over the Common Elements for utilities, roads and other purposes reasonably necessary or useful for the proper maintenance or operation of the property.

The Declarant hereby reserves the unqualified right of access or ingress and egress across the property set forth in Section 2.1 to the Expansion Lands as set forth in Section 2.3. Said easement shall run with the land and inure to the benefit of the Declarant, its successors and assigns. In no event shall the Declarant be required to expand the Condominium or add any portion of the Expansion Real Estate thereto. In the event the Declarant shall not add to the Condominium all or any portion of the Expansion Real Estate, the Declarant nevertheless shall have the right to construct on, renovate, or remodel all or any portion of any improvements on the Expansion Real Estate and to operate the same without restriction.

18.3 ENCROACHMENTS. In the event that by reason of the construction, reconstruction, settlement, or shifting of any building, or the design or construction of any Unit, any part of the Common Elements, or Limited Common Elements, encroaches or shall hereafter encroach upon any part of any Unit, or any part of any Unit encroaches or shall hereafter encroach upon any part of the Common Elements, Limited Common Elements, or any portion of any Unit encroaches upon any part of any other Unit, valid easements for the maintenance of such encroachment are hereby established and shall exist for the benefit of such Unit so long as all or any part of the building containing such Unit shall remain standing; provided, however, that in no event shall a valid easement for any encroachment be created in favor of the owner of any Unit or in favor of the owner or owners of the Common Elements or Limited Common Elements, if such encroachments occurred due to the willful conduct of said owner or owners.

18.4 BINDING EFFECT. All easements and rights described herein are easements appurtenant, running with the land, and are subject to the reasonable control of the Association. All easements and rights described herein are granted and reserved to, and shall inure to the benefit of and be binding on, the undersigned, its successors and assigns, and on all Unit Owners, purchasers and mortgagees and their heirs, executors, administrators, successors and assigns. The

Association shall have the authority to execute all documents necessary to carry out the intent of this Section 18.

19. FAILURE OF ASSOCIATION TO INSIST ON STRICT PERFORMANCE NOT WAIVER

The failure of the Association to insist, in any one or more instances, upon the strict performance of any of the terms, covenants, conditions or restrictions of this Declaration, or to exercise any right or option herein contained, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of such term, covenant, condition or restriction, but such term, covenant, condition or restriction shall remain in full force and effect. The receipt by the Association of payment of any assessment from a Unit Owner, with knowledge of the breach of any covenant hereof, shall not be deemed as a waiver of such breach, and no waiver by the Association of any provision hereof shall be deemed to have been made unless expressed in writing and signed by the Association.

20. AMENDMENTS TO DECLARATION

Except as otherwise provided by the Act, this declaration may be amended with the written consent of at least Sixty-seven percent (67%) of the aggregate votes of the Unit Owners. A Unit Owner's written consent is not effective unless it is approved in writing by the first mortgagee of the Unit, or the holder of an equivalent security interest, if any. Approval from the first mortgage lender or equivalent security interest holder, or the person servicing the first mortgage loan, or its equivalent on a Unit, constitutes approval of the first mortgagee or equivalent security interest holder under this Paragraph. The documents submitting the amendment for recording shall state that the required consents and approval for the amendment were received. A copy of the amendment shall be recorded with the Register of Deeds for Sheboygan County and a copy of the amendment shall also be mailed or personally delivered to each Unit Owner at his address on file with the Association. In addition to the foregoing, this Declaration may be amended in any other manner provided under the Act. No action to challenge the validity of an amendment under this Section may be brought more than one (1) year after the amendment is recorded.

21. VOLUNTARY TERMINATION OF CONDOMINIUM

Upon the written consent of all Unit Owners, all or any part of the property may be removed from the provisions of the Act by an instrument to that effect, duly recorded with the Register of Deeds for Sheboygan County, provided that the holders of all liens affecting any of

the Units consent thereto or agree, in either case by instrument duly recorded with the Register of Deeds of Sheboygan County, that their liens be transferred to the percentage of the undivided interest of the Unit Owner in the property. Upon removal of any property from the act, the property shall be deemed to be owned in common by the Unit Owners. The undivided interest in the property owned in common which appertains to each Unit Owner shall be the percentage of undivided interest previously owned by the owner in the Common Elements.

22. NOTICES

22.1. NOTICES TO UNIT OWNERS. All notice and other documents required to be given by this Declaration or the Bylaws of the Association shall be sufficient if given to one (1) registered owner of a Unit regardless of the number of owners who have an interest therein. All Unit Owners shall provide the Secretary of the Association with an address for the mailing or service of any notice or other documents and the Secretary shall be deemed to have discharged his duty with respect to the giving of notice by mailing it or having it delivered personally to such address as is on file with him.

- B. Any proposed termination of the Condominium regime;
- C. Any condemnation loss or any casualty loss which affects a material portion of the Condominium or which affects any Unit on which there is a first mortgage held, insured or guaranteed by such eligible holder;
- D. Any delinquency in the payment of assessments or charges owned by a Unit Owner or a Unit subject to the mortgage of such eligible holder, insurer or guarantor, where such delinquency has continued for a period of sixty (60) days;
- E. Any lapse, cancellation or material modification of any insurance policy maintained by the Association.

23. FURTHER MATTERS

A. All present and future owners of Units, tenants of such owners and any other occupants of Units, employees of owners, or any other persons that in any manner use or come upon the Condominium or any part thereof shall be subject to and shall comply with the provisions of this Declaration, the Articles of Incorporation of the Association, and the Bylaws and rules and regulations adopted pursuant thereto, as these instruments may be amended from time to time. The acceptance of a deed or conveyance, or the entering into of a lease, or the entering into of occupancy of any Unit shall constitute an acceptance of the provisions of such instruments, as they may be amended from time to time, by such owner, tenant or occupant. The provisions contained in such instrument shall be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and fully stipulated in each deed, conveyance or lease thereof. The enforcement thereof may be by such judicial proceedings as the Board of Directors of the Association may deem appropriate, as well as by the provisions of the Act.

B. The Declarant hereby reserves the right to cause one or more of the Units it owns to be maintained as a model unit and to display such models and the Common Elements of the Condominium. The Declarant further reserves the right to maintain signs offering the sale of Units in the Condominium until all Units are sold at which time "For Sale" or "For Lease" signs shall be prohibited.

C. If entered into before the officers elected by the Unit Owners pursuant to the Bylaws take office, any management contract, lease of recreational or parking areas or facilities, any contract or lease to which a Declarant or any person affiliated with the Declarant is a party and any contract or lease which is not bona fide or which was not commercially reasonable to Unit Owners, when entered into under the circumstances then prevailing may be terminated by the Association or its Board of Directors at any time without penalty upon not less than ninety (90) days notice to the other party thereto.

24. RESIDENT AGENT

The resident agent shall be Curt A. Bushman, W230 S4353 Milky Way Road, Waukesha, Wisconsin 53189, or such other person as may be designated from time to time by the Board of Directors of the Association, which designation shall be filed with the Wisconsin Department of Financial Institutions.

26. CAPTIONS

The captions and section headings herein are inserted only as matters of convenience and for reference, and in no way define nor limit the scope or intent of the various provisions hereof.

27. SEVERABILITY

The provisions hereof shall be deemed independent and severable, and the invalidity or partial invalidity or unenforceability of any one provision or portion thereof shall not affect the validity or enforceability of the remaining portion of said provisions or of any other provision hereof.

28. CONFLICTS IN PROVISIONS

If there is any conflict between any provision and this Declaration and the provisions of the Condominium Plat or any provisions of the Bylaws, the provisions of this Declaration shall control. 5. The provisions of Paragraph 15 are deleted in their entirety and we substitute the following new Paragraph 15:

15. LIABILITY FOR COMMON EXPENSES

The costs of administration of the Association, insurance, repair, maintenance and other expenses of the Common Elements and Limited Common Elements, and the common services provided to the Unit Owners shall be paid for by the Association. The Association shall make

assessments against the Unit Owners, as well as the Units themselves, for such common expenses and for the creation of reserves for the payment of future common expenses with each Unit subject to said assessment paying an equal share of the assessment. Assessments shall be due in advance on the first day of each month, or in such other manner as the Association may set forth in the By-Laws.

A Unit Owner, shall be liable for all assessments, or installments thereof, coming due while owning a Unit, including any assessments coming due during the pendency of any claim by the Unit Owner against the Association, or during any period in which the Unit is not occupied by the Unit Owner, or is leased or rented to any other person. In a voluntary grant, the grantee shall be jointly and severally liable with the grantor for all unpaid assessments against the grantor for his or her share of the common expenses up to the time of the voluntary grant for which a statement of condominium lien is recorded, without prejudice to the rights of the grantee to recover from the grantor the amounts paid by the grantee for such assessments.

No Unit Owner may exempt himself or his Unit from liability for his contribution toward the common expenses by waiver of the use or enjoyment of the Common Elements or Limited Common Elements or services or by the abandonment of his Unit.

During the period of Declarant control of the Association under Section 703.15(2)(c) of the Wisconsin Statutes, no assessments shall be assessed against any Unit owned by the Declarant. During the period of Declarant control, the assessments payable by any Unit Owner other than Declarant shall not exceed the amount that Unit Owner would be charged if Declarant's Units were subject to full assessments, based on the annual Operating Budget then in effect. During the period of Declarant control, Declarant shall pay the deficit if the total assessments payable by Unit Owners, other than Declarant, do not cover the total Common Expenses. The Declarant, as a Unit Owner, shall not be liable for any annual or special assessments as assessed by the Association. The Declarant shall be liable for assessments on a Unit commencing with the occupancy of said Unit.

All common expenses and assessments, when due, shall immediately become a personal debt of the Unit Owner and also a lien, against the Unit to which the charges are assessed, until paid, if a statement of lien is filed within two years after the date the assessment becomes due. The lien is effective against a Unit at the time the assessment became due regardless of when within the two year period it is filed. The Association must serve the Declarant with a notice dues within thirty (30) days of assessment. *loss assessment*

A lien for delinquent common expenses that the Association assesses against a Unit will be subordinate to a first mortgage on the Unit, if the mortgage was recorded before the delinquent assessment was due. In addition, a lien for common expenses will not be affected by the sale or transfer of a Unit unless a foreclosure of a first mortgage is involved, in which case the foreclosure will extinguish the lien for any assessments that were payable before the foreclosure sale, but will not release any subsequent Unit Owner from paying any further assessments.

The Association is granted the power to collect levied assessments from the Unit Owners in accordance with legal remedies available if the assessments are not paid when they are due. The assessments, including interest at Twelve percent (12%) annum, costs and reasonable attorneys fees, shall become a lien against the Unit.

All sums assessed by an association, but unpaid for, regarding the share of the common expenses chargeable to any Unit constitutes a lien on the Unit and on the undivided interest in the Common Elements and Limited Common Elements appurtenant thereto prior to all other liens except:

- A. Liens of general and specific taxes;
- B. All sums unpaid on a first mortgage recorded prior to the making of the assessment;
- C. Mechanics liens filed prior to the making of the assessment;
- D. All sums unpaid on any mortgage loan made under Section 45.80 (1989 Stats.) of the Wisconsin Statutes;
- E. A lien under Section 292.31(8)(i) or 292.81 of the Wisconsin Statutes.

The common surpluses resulting from the operation of the Condominium shall be credited to the Unit Owner's assessments for common expenses, or shall be used for any other purpose as the Association decides, or shall be refunded to the Unit Owners with each Unit receiving a share of said surplus in proportion to the dues paid by the Unit Owner during the preceding twelve (12) month period.

A grantee of a Unit is entitled to a statement from the Association, or the Board of Directors, setting forth the amount of unpaid assessments against the grantor of a Unit. The grantee of a Unit is not liable for, nor shall the Unit conveyed be subject to a lien that is not filed for, any unpaid assessment against the grantor in excess of the amount set forth in the statement. If the Association, or the Board of Directors, does not provide such a statement within ten (10) business days after the grantee's request, the Association is barred from claiming under any lien that is not filed prior to the request for the statement against the grantee.

IN WITNESS WHEREOF, the said Declarant, Bellcraft Development, LLC, has caused this Amendment to be executed at Waukesha, Wisconsin, this 1 day of December, 2016.

BYLAWS
OF
MILEY'S MEADOW CONDOMINIUMS ASSOCIATION, INC.

ARTICLE I

NAME AND PURPOSE

Pursuant to the Articles of Incorporation of Miley's Meadow Condominiums Association, Inc., and the Condominium Declaration of Miley's Meadow Condominiums, recorded in the office of the Register of Deeds for Sheboygan County, Wisconsin, (hereinafter called the "Declaration") by Bellcraft Development, LLC, a Wisconsin limited liability company (together with its successors and assigns hereinafter "Declarant"), the following are adopted as the Bylaws of Miley's Meadow Condominiums Association, Inc. (hereinafter referred to as the "Association"), which is a non-stock, non-profit corporation formed and organized to serve as an Association of the owners of Units (hereinafter referred to as "Unit Owners") who own real estate and improvements (hereinafter the "Property") under the condominium form of use and ownership, as provided in the Condominium Ownership Act under the laws of the State of Wisconsin and subject to the terms and conditions of the Declaration, which is incorporated by reference.

These Bylaws shall be deemed covenants running with the land and shall be binding on the Unit Owners, their heirs, administrators, personal representatives, successors and assigns.

ARTICLE II

MEMBERS, VOTING AND MEETINGS

2.1 MEMBERS. The corporation shall have two classes of members, and the rights and qualifications of the members are as follows:

(a) CLASS A MEMBERS.

1. Defined. Class A members shall be all Unit Owners, with the initial exception of the Declarant, and shall have one vote for each Unit owned. Every Unit Owner upon acquiring ownership automatically becomes a member of the Association and remain a member thereof until such time as his ownership of such Unit ceases for any reason, at which time his membership in the Association shall automatically cease.

2. One Membership Per Unit. One Class A membership and one vote shall exist for each Unit excepting those Units owned by Declarant. If title to a Unit is held by more than one person, the membership related to that Unit shall be shared by such owners in the same proportionate interests and by the same type of tenancy in which the title to the Unit is held. Voting rights may not be split, and shared membership interest must be voted pursuant to the nomination contained in the Membership List. The Association may prohibit any Unit Owner from voting at a meeting if the Association has a recorded statement of condominium lien on the person's Unit and the amount necessary to release the lien has not been paid at the time of the meeting.

3. Membership List. The Association shall maintain a current Membership List showing the membership pertaining to each Unit and the person designated to cast the one vote pertaining to such Unit. Only the person so designated shall be entitled to cast a vote in person or by proxy. A designation may be changed by notice in writing to the Secretary of the Association signed by a majority of the persons having an ownership interest in the Unit. Every Unit Owner shall furnish the Association with his or her name and current mailing address. No Unit Owner may vote at a meeting of the Association unless this information is furnished.

4. Transfer of Membership. Each membership shall be appurtenant to the Unit upon which it is based and shall be transferred automatically upon conveyance of that Unit. Membership in the Association may not be transferred, except in connection with the transfer of a Unit. Upon transfer of a Unit, the Association shall, as soon as possible thereafter, be given written notice of such transfer, including the name of the new owner, identification of Unit, date of transfer, name of the person designated to vote, and any other information about the transfer which the Association may deem pertinent and the Association shall make appropriate changes to the Membership List effective as of the date of transfer.

(b) CLASS B MEMBERS.

Class B member(s) shall be the Declarant and shall be entitled to three (3) votes for each Unit owned. The Class B membership shall cease and be converted to Class A membership when the total votes outstanding in Class A membership equal or exceed the total votes outstanding in Class B membership, or a date not exceeding ten (10) years from the first conveyance of a Unit to any person other than a Declarant whichever first occurs.

2.2 QUORUM AND PROXIES FOR MEMBERS' MEETINGS. A quorum for members' meeting shall consist of a majority of votes entitled to vote. Votes may be cast in person or by proxy in accordance with designations in the Membership List. The act of a majority of votes present in person or by proxy at any meeting at which a quorum is present shall be the act of the members. Proxies shall be valid only for the particular meeting(s) or time period designated therein, unless sooner revoked, and must be filed with the Secretary before the appointed time of the meeting. If any meeting of members cannot be organized because a quorum is not present, a majority of the members who are present, either in person or by proxy, may adjourn the meeting from time to time until a quorum is present, without further notice. At such adjourned meeting at which a quorum shall be present or represented any business may be transacted which might have been transacted at the meeting as originally noticed.

2.3 TIME, PLACE, NOTICE AND CALLING OF MEMBERS' MEETINGS. Written notice of all meetings stating the time and place and the purposes for which the meeting is called shall be given by the President or Secretary, unless waived in writing, to each member at his address as it appears on the books of the Association and shall be mailed or personally delivered not less than ten (10) days nor more than thirty (30) days prior to the date of the meeting. Notice of meetings may be waived before or after meetings. Meetings shall be held at such time and place as may be designated by the Board of Directors. The annual meeting shall be held on the third Monday in January of each year for the purpose of electing directors and of transacting any other business authorized to be transacted by the members. Special meetings of the members shall be held whenever called by the President or any two members of the Board of Directors and must be called by such officers upon receipt of a written request signed by members with one-third (1/3) or more of all votes entitled to be cast.

ARTICLE III

BOARD OF DIRECTORS

3.1 NUMBER AND QUALIFICATIONS OF DIRECTORS. The initial Board of Directors shall consist of three (3) persons appointed by Declarant, who need not be members of the Association, to serve as hereinafter set forth. Prior to the conveyance of twenty-five percent (25%) of the Common Elements to purchasers, the Association shall hold a meeting and the Unit Owners other than the Declarant shall elect at least twenty-five percent (25%) of the members of the Board of Directors. Prior to the conveyance of fifty percent (50%) of the Common Elements to purchasers, the Association shall hold a meeting and the Unit Owners other than the Declarant shall elect at least thirty-three and one-third percent (33 1/3%) of the members of the Board of Directors. The remaining members of the Board of Directors shall serve until Class B membership ceases and is converted to Class A membership as provided in Article III herein or a date not exceeding ten (10) years from the first conveyance of a Unit by a Declarant to any person other than Declarant, whichever shall occur first. Thereafter, the Board of Directors shall consist of five (5) persons, to be classified with respect to the terms for which they severally hold office as set forth in Paragraph 3.3 below. Each member of the Board of Directors shall be a member of the Association or, in the event that such member of the Association is not a natural person, the appointee of such member of the Association.

3.2 POWERS AND DUTIES OF THE BOARD OF DIRECTORS. The affairs of the Association shall be governed by the Board of Directors. All powers and duties as shall be necessary for the administration of the affairs of the Association shall be exercised by the Board of Directors. Such powers and duties shall be exercised in accordance with the provisions of the Declaration, the Articles of Incorporation, and these Bylaws.

3.3 ELECTION AND TERM OF DIRECTORS. At the first annual meeting of the Association after the termination of Class B membership, the members shall elect five (5) directors to be classified with respect to the terms for which they hold office by dividing them into three (3) classes as follows:

(a) Two (2) directors whose terms will expire after one (1) year, at the next annual meeting of the Association.

(b) Two (2) directors whose term will expire after two (2) years, at the second annual meeting of the Association after his election.

(c) One (1) director whose term will expire after three (3) years, at the third annual meeting of the Association after his election.

The successors to the class of directors whose terms expire as set forth above shall be elected to hold office for a term of three (3) years or until their successors are duly elected and qualified, or until any of said directors shall have been removed in the manner hereinafter provided, so that the term of one class of directors shall expire in each year.

3.4 VACANCIES ON BOARD. Vacancies on the Board of Directors caused by any reason other than the removal of a director by a vote of the members shall be filled by a vote of the majority of the remaining directors, even though they may constitute less than a quorum, and each person so elected shall be a director until a successor is elected at the next annual meeting of the members at which that class of directors is to be elected.

3.5 REMOVAL OF DIRECTORS. At any regular or special meeting duly called, any one or more of the directors may be removed with or without cause by a majority of the votes of the members entitled to be cast and a successor may then and there be elected to fill the vacancy thus created.

3.6 REGULAR MEETINGS AND NOTICE. A regular annual meeting of the Board of Directors shall be held immediately after, and at the same place as, the annual meeting of the members. Notice of the regular annual meeting of the Board of Directors shall not be required.

3.7 SPECIAL MEETINGS AND NOTICE. Special meetings of the Board of Directors may be called by the President or by two (2) directors on three (3) days prior written notice to each director, given personally or by mail, which notice shall state the time, place and purpose of the meeting.

3.8 WAIVER OF NOTICE. Before, at or after any meeting of the Board of Directors, any director may in writing, waive notice of such meeting and such waiver shall be deemed equivalent to the giving of such notice. Attendance by a director at any meeting of the Board shall be a waiver of notice by him of the time and place thereof. If all of the directors are present at any meeting of the Board, no notice shall be required and any business may be transacted at such meeting.

3.9 QUORUM OF DIRECTORS – ADJOURNMENTS. At all meetings of the Board of Directors, a majority of the directors shall constitute a quorum for the transaction of business, and the act of the majority of the directors present at a meeting at which a quorum is present shall be the act of the Board of Directors. If, at any meeting of

the Board of Directors, there shall be less than a quorum present, the majority of those present may adjourn the meeting from time to time without further notice. At any such adjourned meeting at which a quorum is present, any business which might have been transacted at the meeting as originally called may be transacted.

3.10 FIDELITY BONDS. The Board of Directors may require that some or all officers and/or employees of the Association handling or responsible for Association's funds shall furnish adequate fidelity bonds. The premiums on any such bonds shall be paid for by the Association.

3.11 COMPENSATION. No director of the corporation shall receive any fee or other compensation for such services rendered to the Association, except by specific resolution of the membership.

3.12 INFORMAL ACTION. Any action which is required to be taken at a meeting of the Board of Directors or which may be taken at such meeting, may be taken without a meeting if a consent in writing setting forth the action so taken shall be signed by all of the directors entitled to vote with respect to the subject matter. Such consent shall have the same force and effect as unanimous vote.

ARTICLE IV

OFFICERS

4.1 DESIGNATION, ELECTION AND REMOVAL. The principal officers of the Association shall be a President, Vice President, Secretary and Treasurer, to be elected annually by the Board of Directors. Upon the affirmative vote of a majority of the members of the Board of Directors, any officer may be removed, either with or without cause, and his successor shall be elected at the regular meeting of the Board of Directors, or at any special meeting called for that purpose. Any two or more offices, except a combination of the offices of President and Secretary and a combination of the offices of President and Vice-President, may be held by the same person.

4.2 PRESIDENT. The President shall be selected from among the members of the Board of Directors and shall be the chief executive officer of the Association. He shall preside at all meetings of the Association and of the Board of Directors. He shall have all the general powers and duties which are usually vested in the office of President, including, but not limited to, the power to sign, together with any other officer designated by the Board, any contracts, checks, drafts, or other instruments on behalf of the Association in accordance with the provisions herein.

4.3 VICE-PRESIDENT. The Vice-President shall be selected from among the members of the Board of Directors and shall take the place of the President and perform his duties whenever the President shall be absent or unable to act. If both the President and Vice-President are unable to act, the Board of Directors shall appoint some other member of the Board to do so on an interim basis. The Vice-President shall also perform such other duties as shall from time to time be imposed upon him by the Board of Directors.

4.4 SECRETARY. The Secretary shall be selected from among the members of the Board of Directors and shall keep the minutes of all meetings of the Board of Directors and of the Association and shall have charge of the Association's books and records, and shall, in general, perform all duties incident to the office of Secretary.

4.5 TREASURER. The Treasurer shall be selected from among the members of the Board of Directors and shall have responsibility for the Association's funds and shall be responsible for keeping full and accurate accounts of all receipts and disbursements and financial records and books of account on behalf of the Association. He shall be responsible for the deposit of all monies and all valuable effects in the name, and to the credit, of the Association in such depositories as may from time to time be designated by the Board of Directors. The Treasurer shall also be responsible for the billing and collection of all common charges and assessments made by the Association.

4.6 LIABILITY OF DIRECTORS AND OFFICERS. No person shall be liable to the Association for any loss or damage suffered by it on account of any action taken or omitted to be taken by him as a director or officer of the Association, if such person (a) exercised and used the same degree of care and skill as a prudent man would have exercised or used under the circumstances in the conduct of his own affairs, or (b) took or omitted take such action in reliance upon advice of counsel for the Association or upon statements made or information furnished by officers or employees of the Association which he has reasonable grounds to believe to be true. The foregoing shall not be exclusive of other rights and defenses to which he may be entitled as a matter of law.

4.7 COMPENSATION. No officer of the corporation shall receive any fee or other compensation for services rendered to the Association except by specific resolution of the membership.

ARTICLE V

OPERATION OF THE PROPERTY

5.1 THE ASSOCIATION. The Association, acting through the Board of Directors, shall be responsible for administration and operation of the condominium property, in accordance with the Declaration, the Articles of Incorporation, and these Bylaws. The Association may contract for management services and a managing agent with respect to the administration and operation of the condominium.

5.2 RULES AND REGULATIONS. The Association, through the Board of Directors, shall from time to time adopt rules and regulations governing the operation, maintenance and use of the Units, Common Elements, and Limited Common Elements by the Unit Owners and occupants. Such rules and regulations of the Association shall not be inconsistent with the terms of the Declaration or the contracts, documents, and easements referred to in the Declaration, and shall be designed to prevent unreasonable interference with the use of the respective Units, Common Elements, and Limited Common Elements by persons entitled thereto.

5.3 COMMON EXPENSES. The Board of Directors shall determine the common expenses of the Association, and shall prepare an annual operating budget for the Association in order to determine the amount of the assessments payable by each Unit to meet the estimated common expenses of the Association for the ensuing year. The amounts required by such budget shall be allocated among, and assessed against the Units as set forth in the Declaration. The assessment shall be prorated and paid monthly to the Association on or before the first day of each month. If any payment is not made within ten (10) days of the due date, the charges shall bear interest at the rate of twelve percent (12%) per annum until paid in full.

5.4 OPERATING BUDGET. The annual operating budget shall set forth all of the following:

- (a) All anticipated common expenses and any amounts to be allocated to a reserve fund.
- (b) The amount and purpose of any other anticipated Association expenditures.
- (c) The amount in any reserve fund or any other funds held for future expenditures.

(d) Any common surpluses.

(e) The amount and source of any income, other than Unit Owner assessments.

(f) The aggregate amount of any assessment to be levied against Unit Owners and the purpose of the assessment.

The annual operating budget shall provide for two funds, one of which shall be designated the "operating fund" and the other the "reserve fund." The operating fund shall be used for all common expenses of the Association which occur with greater than annual frequency, such as amounts required for the cost of maintenance of the Common Elements and Limited Common Elements, lawn care and snow removal, insurance, common services, administration, materials and supplies. The reserve fund shall be used for contingencies and periodic expenses such as painting or renovation. In the event the Association incurs extraordinary expenditures not originally included in the annual budget, then such sums as may be required in addition to the operating fund shall be first charged against the reserve fund. In the event that both funds prove inadequate to meet the necessary expenses of the Association, the directors may levy a further assessment against the Units which are subject to assessment equally.

The reserve fund may include such amounts as the Board of Directors may deem necessary to provide for the purchase or lease of any Unit whose owner wishes to sell or lease to the Association. The reserve fund may also be used to discharge mechanic's liens or other encumbrances levied against the entire property, or against each Unit, if resulting from action by the Association. The Unit Owner or Unit Owners responsible for any lien which is paid by the Association, but not the obligation of the Association, shall be specially assessed for the full amount thereof.

The directors may also use the reserve fund for the maintenance and repair of any Unit if such maintenance and repair is necessary to protect the Common Elements. The full amount of the cost of any such maintenance or repair shall be specially assessed to the Unit Owner responsible thereof.

The Board of Directors shall determine the amount to be assessed Unit Owners for reserve funds after considering all of the following:

(a) The reserve funds currently in the fund.

(b) The estimated cost of repairing or replacing common elements, other than routine maintenance.

- (c) The estimated remaining useful life of the common elements.
- (d) The approximate proportion of the estimated cost of repairing or replacing common elements that would be covered by the reserve funds and the approximate proportion that will be funded by other means.
- (e) Any other factor that the Association considers relevant.

The annual budget shall be prepared and determined by December 15 of each calendar year. The Board of Directors shall advise all members of the Association in writing of the amount of the assessments payable on behalf of each Unit by the date of the annual members' meeting and shall furnish copies of the budget on which such assessments are based to each member.

If within fifteen (15) days after the annual membership meeting a petition is presented to the Board of Directors protesting such charges or the budget upon which they are based, and the petition is signed by members representing more than fifty percent (50%) of the membership entitled to vote with respect to such charges, then the directors shall notify all members of a meeting called for the sole purpose of reviewing such charges or budget. At such meeting, the vote of more than fifty percent (50%) of the membership entitled to vote may revise the budget and charges, and such revised budget and corresponding charges shall replace for all purposes the ones previously established; provided, however, that the annual budget and charges may not be revised downward to a point lower than the average total budget for the preceding two years and provided further, that if a budget and charges have not been established and made for any two preceding years, then the budget and charges may not be revised downward until two years of experience exist.

5.5 DEFAULT. If a member of the Association is in default in payment of any assessments for a period of more than thirty (30) days, the Board of Directors, in the name of the Association, may bring suit for and on behalf of the Association, as representative of all members, to enforce collection of such delinquencies or to foreclose the lien therefor, as provided by law, and there shall be added to the amount due the costs of suit and the legal interest, together with a reasonable attorney's fee.

5.6 MANNER OF BORROWING MONEY. The President and Secretary on behalf of the Association shall be authorized to execute necessary documents to effectuate the acquisition.

Upon written consent of One hundred percent (100%) of Unit Owners and mortgagees portions of the Property as described in the Declaration may be sold. However, the Declaration shall be amended to reflect such sale. Proceeds of any sale shall be divided among the Unit Owners according to their percentage of ownership in Common Elements.

ARTICLE VI

DUTIES AND OBLIGATIONS OF UNIT OWNERS

6.1 RULES AND REGULATIONS. The Units, Common Elements, and Limited Common Elements shall be occupied and used in accordance with the Declaration, the Articles of Incorporation, these Bylaws, and the rules and regulations of the Association, including the following:

a) USE. No Unit to be occupied or used for any purposes other than a single family private residence.

b) OBSTRUCTIONS. There shall be no obstruction of the Common Elements and nothing shall be stored therein without the prior consent of the Association.

c) INCREASE OF INSURANCE RATES. Nothing shall be done or kept in any Unit, Common Element, or Limited Common Element which will increase the rate of insurance on the Condominium without the prior consent of the Association. No Unit Owner shall permit anything to be done or kept in his Unit or Limited Common Element which will result in the cancellation of insurance on any Unit or any part of the Condominium, or which would be in violation of any law or ordinance. No waste will be committed in the Common Elements or Limited Common Elements.

d) SIGNS. No sign of any kind shall be displayed to the public view on or from any Unit, the Common Elements, or the Limited Common Elements without prior consent of the Association.

(vi) Any and all costs of repairing damage caused by a pet shall be borne by its owner. Any Unit Owner failing to comply with this Section shall, absent unusual circumstances under which the Board of Directors determines that some lesser or other remedial action is appropriate, be assessed a monthly pet fee in an amount of Five hundred Dollars (\$500.00) per month or part thereof until the owner has complied. Such pet fee may be collected in the same manner as assessments under Section 5.3.

f) NOXIOUS ACTIVITY. No noxious or offensive activity shall be carried on in any Unit, the Common Elements or the Limited Common Elements,

g) ALTERATION, CONSTRUCTION OR REMOVAL. Nothing shall be altered or constructed in or removed from the Common Elements, except upon the written consent of the Association.

h) CONFLICT. The above rules and regulations and those which may be hereafter adopted by the Association, are in addition to the Declaration, and the documents, contracts, declarations, and easements set forth in the Declaration, and in the event of a conflict, the Declaration and contracts, declarations, and easements set forth and referenced therein shall govern.

i) REMEDIES. Failure to comply with any of these Bylaws or any other rules, regulations, covenants, conditions or restrictions imposed by the Act, the Declaration or the Board shall be grounds for action to recover sums due for damages or injunctive relief or both, maintainable for the Association or, in a proper case, by an aggrieved member.

6.2 MAINTENANCE AND REPAIR OF UNITS. Every Unit Owner must perform properly or cause to be performed all maintenance and repair work within his own Unit which if omitted would affect the Condominium or a portion belonging to other Unit Owners, and such Unit Owners shall be personally liable to the Association for any damages caused by their failure to do so.

6.3 LIMITED COMMON ELEMENTS. Every Unit Owner must maintain the Limited Common Elements appurtenant to his Unit in clean and proper condition. No objects or structures other than approved moveable furniture or decorative pieces, shall be placed thereon without the prior written consent of the Board of Directors of the Association. Every Unit Owner shall have the right to decorate the Limited Common Elements appurtenant to his Unit in a nonstructural manner provided that decorations which are visible to other Units or to the public shall have the prior written approval of the Board of Directors of the Association.

6.4 ADDITIONAL RULES AND REGULATIONS. Additional rules and regulations concerning the use of the Common Elements and Limited Common Elements may be promulgated and amended by the Board of Directors. Copies of such rules and regulations shall be furnished by the Board of Directors to each Unit Owner prior to their effective date.

ARTICLE VII

GENERAL

7.1 FISCAL YEAR. The fiscal year of the Corporation shall begin on the first day of January and end on the last day of December in each year.

7.2 SEAL. The Board of Directors may provide a corporate seal which shall be circular in form and shall have inscribed thereon the name of the corporation and the words "Corporate Seal, Wisconsin".

ARTICLE VIII

AMENDMENTS

8.1 BY MEMBERS. These Bylaws may be altered, amended or repealed and new Bylaws may be adopted by the members, at any meeting called for such purpose, by an affirmative vote of Unit Owners having Sixty-seven percent (67%) or more of the votes.

8.2 RIGHTS OF DECLARANT. No amendment of these Bylaws shall alter or abrogate the rights of Declarant, without the Declarant's consent, as contained in these Bylaws.

ARTICLE IX

MISCELLANEOUS

9.1 RECORD OF OWNERSHIP. Every Unit Owner shall promptly cause to be duly recorded or filed of record the deed, lease, assignment or other conveyance to him of such Unit or other evidence of his title thereto, and shall file such lease with and present such other evidence of this title to the Board of Directors, and the Secretary shall maintain all such information in the record of ownership of the Association.

9.2 MORTGAGES. Any Unit Owner who mortgages his Unit or any interest therein shall notify the Board of Directors of the name and address of this mortgagee, and shall maintain all such information in the record of ownership of the Association. The Board of Directors at the written request of any mortgagee shall furnish timely written notice of:

- A. Any condemnation loss or any casualty loss which affects the material portion of the property or any Unit on which there is a first mortgage held, insured, or guaranteed by such mortgagee, insurer or guarantor, as applicable;
- B. Any delinquency in the payment of assessments owed by a Unit Owner subject to a first mortgage held, insured or guaranteed by such mortgagee, insurer or guarantor, which may remain uncured for a period of sixty (60) days.
- C. Any lapse, cancellation or material modification of any insurance policy maintained by the Association;
- D. Any proposed action which will require the consent of a specified percentage of eligible mortgagees.

The Board of Directors at the request of any prospective purchaser of any Unit or interest therein shall report to such person the amount of any assessments against such Unit then due and unpaid.

The Association shall be required to make available to Unit Owners and mortgagees, and to holders, insurers or guarantors of any mortgage, current copies of the Declaration, Bylaws, other rules concerning the project and the books records and financial statements of the Association. "Available" means available for inspection, upon request, during normal business hours or under other reasonable circumstances.

9.3 BOOKS OF RECEIPTS AND EXPENDITURES: AVAILABILITY FOR EXAMINATION. The Association shall keep detailed, accurate records using standard bookkeeping procedures or receipts and expenditures affecting the Common Elements, specifying and itemizing the maintenance and repair expenses of the Common Elements and any other expenses incurred. The records and the vouchers authorizing the payments shall be available for examination by the Unit Owners at convenient hours.

9.4 INDEMNITY OF OFFICERS AND DIRECTORS. The Association shall indemnify a director or officer, to the extent that he or she has been successful on the merits or otherwise in the defense of a proceeding, for all reasonable expenses incurred in the proceeding if the director or officer was a party because he or she is a director or officer of the Association.

The Association shall indemnify a director or officer against liability incurred by the director or officer in a proceeding to which the director or officer was a party because he or she is a director or officer of the corporation, unless liability was incurred because

the director or officer breached or failed to perform a duty that he or she owes to the Association and the breach or failure to perform constitutes any of the following:

A. A willful failure to deal fairly with the Association or its members in connection with the matter in which the director or officer has a material conflict of interest.

B. A violation of the criminal law, unless the director or officer had reasonable cause to believe that his or her conduct was lawful or know reasonable cause to believe that his or her conduct was unlawful.

C. A transaction from which the director or officer derived an improper personal profit or benefit.

D. Willful misconduct.

Determination of whether indemnification is required shall be made under Wisconsin Statute Section 181.0873. The termination of a proceeding by judgment, order, settlement, or conviction, or upon a plea of no contest or an equivalent plea, does not by itself, create a presumption that indemnification of the director or officer is not required under this subsection.

A director or officer who seeks indemnification shall make a written request to the Association.

9.5 SUBORDINATION. These Bylaws are subordinate and subject to all provisions of the Declaration and any amendments thereto and the Condominium Ownership Act under the laws of the State of Wisconsin, which shall control in case of any conflict. All terms herein (except where clearly repugnant to the context) shall have the same meaning as in the Declaration or said Condominium Ownership Act.

9.6 INTERPRETATION. In case any provision of these Bylaws shall be held invalid, such invalidity shall not render invalid any other provision hereof which can be given effect. Nothing in these Bylaws shall be deemed or construed to authorize the Association or Board of Directors to conduct or engage in any active business for profit on behalf of any or all of the Unit Owners.
